LOVE LIFE

We are a Camphill Community based just outside Omagh. Camphill is a worldwide movement with four communities in N. Ireland. Like all Camphill Communities, we are built on the principles of true inclusion where everyone is equally valued and everyone has their role to play. We are more than a service provider: we are an enabling community offering an inclusive way of living.

We offer domiciliary care in supported living in five shared houses and one independent flat, as well as day and work opportunities. We have a holistic community style model of care and support that is tailored to your needs and interests and promotes your independence. In Clanabogan we live, work and learn together and everyone is encouraged to contribute to their house, their workshop and to each other.

## A PLACE FOR ALL AGES, CULTURES, BACKGROUNDS

We believe in sustainable living and have a **farm, garden and bakery** providing the fresh organic food we eat. We also have creative workshops where you can find your inner artist, the **weavery, ceramic and wood workshop**. You will have the opportunity to work in them should that interest you. We believe in **lifelong learning** so you can do accredited courses in creative crafts and/or occupational studies; or you can take the opportunity to work with a tutor to have computer lessons and study topics that interest you.

You can be an active participant in the **rich cultural and social life** in Camphill Clanabogan and be involved in plays, music and the many regular community events, excursions and celebrations.

**Living life to the full** means connecting with the wider society and seeking out opportunities on offer. We will support you to follow your interests such as going to college, horse riding, canoeing, swimming and more.

## ONE FOR ALL, ALL FOR ONE
